MEMORANDUM FOR: [REDACTED] 25X1A9a

THROUGH : Director of Economic Research

SUBJECT : Appreciation for Guest Speaker Participation in  
Orientation Courses for Calendar 1967

1. The calendar year 1967 was one of the busiest years of record in regard to the number and size of regular orientation and Career Trainee orientation courses conducted by the Orientation and Briefing Faculty of the Intelligence School, Office of Training. Such courses were made possible only by the generous cooperation of numerous individual guest speakers located in all parts of the Agency, and of their components which made them available to us.

2. In recognition of the heavy demands met by our guest speakers, we wish to take this opportunity of thanking you for sharing this full 1967 schedule with us.
